1 Identification

- Product identifier
  - Trade name: Bar's Leaks® Cooling System Repair Left Side
  - Product code: 1150

- Recommended use and restriction on use
  - Recommended use: Sealant
  - Restrictions on use: No relevant information available.

- Details of the supplier of the Safety Data Sheet
  - Manufacturer/Supplier:
    Bar's Products
    P.O. Box 187
    Holly, MI 48442 USA
    Phone: (810) 603-1321

- Emergency telephone number:
  - ChemTel Inc.
    (800)255-3924 (North America)
    +1 (813)248-0585 (International)

2 Hazard(s) identification

- Classification of the substance or mixture
  The product is not classified as hazardous according to the Globally Harmonized System (GHS).

- Label elements
  - GHS label elements None.
  - Hazard pictograms: Not regulated.
  - Signal word: Not regulated.
  - Hazard statements: None.
  - Precautionary statements: Not regulated.

- Other hazards There are no other hazards not otherwise classified that have been identified.

3 Composition/information on ingredients

- Chemical characterization: Mixtures

- Components:
  - 1344-09-8 silicic acid, sodium salt
    - Mixt. Corr. 1; H290; Skin Corr. 1B; H314;Eye Dam. 1; H318
    - STOT SE 3, H335
    - <5%
  - 13463-67-7 titanium dioxide
    - <1%

- Additional information:
  - Non-classification as a carcinogen is based on non-respirable form of product.
  - For the listed ingredient(s), the identity and/or exact percentage(s) are being withheld as a trade secret.
  - For the wording of the listed Hazard Statements, refer to section 16.

4 First-aid measures

(Cont'd. on page 2)
Safety Data Sheet
Acc. to OSHA HCS (29 CFR 1910.1200)

Printing date: August 03, 2018
Revision: August 03, 2018

Trade name: Bar's Leaks® Cooling System Repair Left Side

(Cont’d. of page 1)

- **Description of first aid measures**
  - **After inhalation:** Supply fresh air; consult doctor in case of complaints.
  - **After skin contact:**
    Clean with water and soap.
    If skin irritation is experienced, consult a doctor.
  - **After eye contact:**
    Remove contact lenses if worn.
    Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
  - **After swallowing:**
    Rinse out mouth and then drink plenty of water.
    Do not induce vomiting; immediately call for medical help.
  - **Most important symptoms and effects, both acute and delayed:**
    Slight irritant effect on eyes.
    Slight irritant effect on skin and mucous membranes.
    Gastric or intestinal disorders when ingested.
    Nausea in case of ingestion.
  - **Indication of any immediate medical attention and special treatment needed:**
    No relevant information available.

5 Fire-fighting measures

- **Extinguishing media**
  - Suitable extinguishing agents: Use fire fighting measures that suit the environment.
  - For safety reasons unsuitable extinguishing agents: None.
  - Special hazards arising from the substance or mixture: No relevant information available.
- **Advice for firefighters**
- **Protective equipment:**
  - Wear self-contained respiratory protective device.
  - Wear fully protective suit.

6 Accidental release measures

- **Personal precautions, protective equipment and emergency procedures**
  - Ensure adequate ventilation.
  - Use personal protective equipment as required.
  - Particular danger of slipping on leaked/spilled product.
- **Environmental precautions**
  - Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.
- **Methods and material for containment and cleaning up**
  - Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
  - Dispose of the collected material according to regulations.
- **Reference to other sections**
  - See Section 7 for information on safe handling.
  - See Section 8 for information on personal protection equipment.
  - See Section 13 for disposal information.

(Cont’d. on page 3)
7 Handling and storage

- Handling
  • Precautions for safe handling:
    Prevent formation of aerosols.
    Use only in well ventilated areas.
  • Information about protection against explosions and fires: No special measures required.

- Conditions for safe storage, including any incompatibilities
  • Requirements to be met by storerooms and receptacles: No special requirements.
  • Information about storage in one common storage facility:
    Store away from foodstuffs.
    Do not store together with oxidizing and acidic materials.
  • Further information about storage conditions: Store in cool, dry conditions in well sealed receptacles.
  • Specific end use(s) No relevant information available.

8 Exposure controls/personal protection

- Control parameters

<table>

- Exposure controls
  • General protective and hygienic measures:
    The usual precautionary measures for handling chemicals should be followed.
    Keep away from foodstuffs, beverages and feed.
    Wash hands before breaks and at the end of work.
    Do not inhale gases / fumes / aerosols.
    Avoid contact with the eyes and skin.
  • Engineering controls: No relevant information available.
  • Breathing equipment:
    Not required under normal conditions of use.
    Use suitable respiratory protective device when aerosol or mist is formed.
    For large spills, respiratory protection may be advisable.
  • Protection of hands:
    Wear protective gloves to handle contents of damaged or leaking units.
Trade name: Bar's Leaks® Cooling System Repair Left Side

Gloves are advised for repeated or prolonged contact. The glove material has to be impermeable and resistant to the product/ the substance/ the preparation.

- Eye protection:
  - Safety glasses

Follow relevant national guidelines concerning the use of protective eyewear.

- Body protection:
  - Not required under normal conditions of use.
  - Protection may be required for spills.

- Limitation and supervision of exposure into the environment: No special requirements.

- Risk management measures: No special requirements.

### 9 Physical and chemical properties

- Information on basic physical and chemical properties
  - Appearance:
    - Form: Viscous
    - Color: Gray
    - Odor: Characteristic
    - Odor threshold: Not determined.
  - pH-value at 20 °C (68 °F): 11.8
  - Melting point/Melting range: Not determined.
  - Boiling point/Boiling range: Not determined.
  - Flash point: Not applicable - does not support sustained combustion.
  - Flammability (solid, gaseous): Product is not flammable.
  - Auto-ignition temperature: Not determined.
  - Decomposition temperature: Not determined.
  - Danger of explosion: Product does not present an explosion hazard.
  - Explosion limits
    - Lower: Not determined.
    - Upper: Not determined.
  - Oxidizing properties: Not determined.
  - Vapor pressure: Not determined.
  - Density:
    - Relative density: 1.06
    - Vapor density: Not determined.
    - Evaporation rate: Not determined.
  - Solubility in / Miscibility with Water: Fully miscible.
  - Partition coefficient (n-octanol/water): Not determined.

(Cont'd. on page 5)
Trade name: Bar's Leaks® Cooling System Repair Left Side

(Cont'd. of page 4)

10 Stability and reactivity

- **Reactivity:** No relevant information available.
- **Chemical stability:** Stable under normal temperatures and pressures.
- **Thermal decomposition / conditions to be avoided:**
  No decomposition if used and stored according to specifications.
- **Possibility of hazardous reactions** Reacts with strong acids and oxidizing agents.
- **Conditions to avoid** Excessive heat.
- **Incompatible materials** No relevant information available.
- **Hazardous decomposition products** Carbon monoxide and carbon dioxide

11 Toxicological information

- **Information on toxicological effects**
  - **Acute toxicity:**
  - **LD/LC50 values that are relevant for classification:** None.
  - **Primary irritant effect:**
  - **On the skin:** Slight irritant effect on skin and mucous membranes.
  - **On the eye:** Slight irritant effect on eyes.
  - **Sensitization:** Based on available data, the classification criteria are not met.
  - **Carcinogenic categories**
  - **IARC (International Agency for Research on Cancer):**
    Reference to titanium dioxide is based on unbound respirable particles and is not applicable to the product as supplied.

</tbody>
</table>

- **NTP (National Toxicology Program):**
  None of the ingredients are listed.

- **OSHA-Ca (Occupational Safety & Health Administration):**
  None of the ingredients are listed.

- **Probable route(s) of exposure:**
  - Ingestion.
  - Inhalation.
  - Eye contact.
  - Skin contact.
- **Repeated dose toxicity:** No relevant information available.
- **Germ cell mutagenicity:** Based on available data, the classification criteria are not met.
- **Carcinogenicity:**
  Contains known or suspect carcinogens when inhaled. Product is in non-inhalable form and is nonclassifiable as a carcinogen.

(Cont'd. on page 6)
12 Ecological information

- **Toxicity**
  - **Aquatic toxicity**: No relevant information available.
  - **Persistence and degradability**: No relevant information available.
  - **Bioaccumulative potential**: No relevant information available.
  - **Mobility in soil**: No relevant information available.

- **Additional ecological information**
  - **General notes**: Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system. Rinse off of bigger amounts into drains or the aquatic environment may lead to increased pH-values. A high pH-value harms aquatic organisms. In the dilution of the use-level the pH-value is considerably reduced, so that after the use of the product the aqueous waste, emptied into drains, is only low water-dangerous.
  - **Other adverse effects**: No relevant information available.

13 Disposal considerations

- **Waste treatment methods**
  - **Recommendation**: Smaller quantities can be disposed of with household waste. Small amounts may be diluted with plenty of water and washed away. Dispose of bigger amounts in accordance with Local Authority requirements. The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

- **Uncleaned packaging**
  - **Recommendation**: Disposal must be made according to official regulations.
  - **Recommended cleansing agent**: Water, if necessary with cleansing agents.

14 Transport information

- **UN-Number**
  - DOT, ADR, IMDG, IATA: Not regulated.

- **UN proper shipping name**
  - DOT, ADR, IMDG, IATA: Not regulated.

- **Transport hazard class(es)**
  - (Cont'd. on page 7)
Trade name: Bar's Leaks® Cooling System Repair Left Side

(Cont'd. of page 6)

- DOT, ADR, IMDG, IATA
  - Class: Not regulated.
- Packing group
  - DOT, ADR, IMDG, IATA: Not regulated.
- Environmental hazards
  - Marine pollutant: No
- Special precautions for user: Not applicable.
- Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code: Not applicable.

15 Regulatory information

- Safety, health and environmental regulations/legislation specific for the substance or mixture
  - United States (USA)
  - SARA
    - Section 302 (extremely hazardous substances):
      None of the ingredients are listed.
    - Section 355 (extremely hazardous substances):
      None of the ingredients are listed.
    - Section 313 (Specific toxic chemical listings):
      None of the ingredients are listed.
- TSCA (Toxic Substances Control Act)
  All ingredients are listed.
- Proposition 65 (California)
  - Chemicals known to cause cancer:
    Reference to titanium dioxide is based on unbound respirable particles and is not applicable to the product as supplied.
    13463-67-7 titanium dioxide
  - Chemicals known to cause developmental toxicity for females:
    None of the ingredients are listed.
  - Chemicals known to cause developmental toxicity for males:
    None of the ingredients are listed.
  - Chemicals known to cause developmental toxicity:
    None of the ingredients are listed.
- EPA (Environmental Protection Agency):
  None of the ingredients are listed.
- IARC (International Agency for Research on Cancer):
  Reference to titanium dioxide is based on unbound respirable particles and is not applicable to the product as supplied.
